Royal Ascot

Great races and flamboyant fashion combine to make a heady cocktail that makes Royal Ascot one of the grandest events in the sporting calendar. The course becomes a sea of colour and pageantry where glamour and spectacle play as big a part in the occasion as the racing. Every one of the races is a highlight of thoroughbred perfection with the pride of place going to Ascot Gold Cup on Ladies' Day.

Cheltenham Festival

The Cheltenham Festival provides some of the most prestigious races in the horse racing calendar and is the first major meeting of the year in terms of corporate entertainment. Over 4 days jockeys and horses will compete for one of the richest prizes in sport, with well over £1m on offer to those passing the finishing post first.
